

Engineering with LEGO®

Grades K-5th AT HOLY FAMILY CATHEDRAL

OPEN TO GIRLS & BOYS

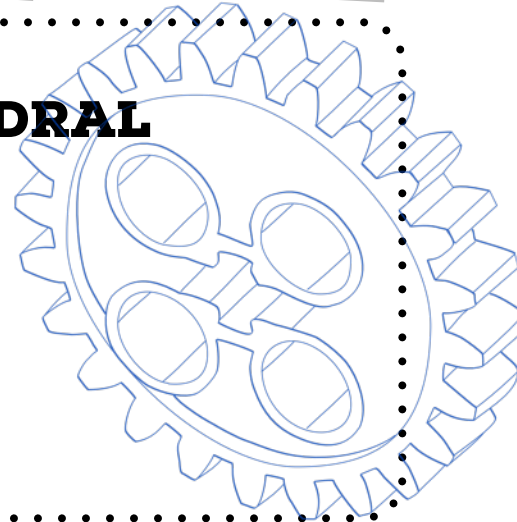

Tuesday, 3:00PM- 4:30PM

April 1st - May 20th

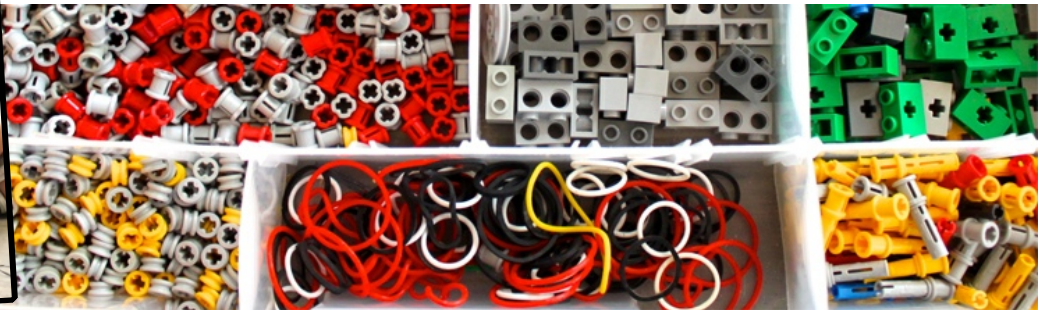

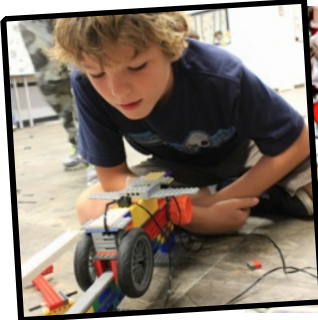

(no class 4/15 and 4/22)

\$95.00 for the 6 week session

Class Limit: 17 students

Power up your engineering skills with Play-Well TEKnologies and over 100,000 pieces of LEGO®! Apply real-world concepts in physics, engineering, and architecture through engineer-designed projects such as arch bridges, skyscrapers, motorized cars, and the Battletrack! Design and build as never before, and explore your craziest ideas in a supportive environment. An experienced instructor will challenge new and returning students to engineer at the next level.

Class size is limited and enrollment is on a first come first serve basis. All materials will be provided. Class may be cancelled if minimum enrollment of 11 students is not met. For more information about Play-Well TEKnologies, visit our website at www.play-well.org.

Questions? Contact Glen Inducil at (714) 861-9807 or email at glen@play-well.org.
