February 3, 2021

Dear Parents,

We have been enjoying the many fun days of Catholic Schools Week. We have recognized our priests, our families, our teachers and staff, our community, and our students. We are now excited to reveal the new logo for Holy Family Catholic School which couldn't have happened without the time and dedication of our parents.

In preparation to reveal the new logo see the attached flyer and take a look back at the legacy of Holy Family school from its roots to today. Be on the look out for the unveiling...it can be found on campus and our Facebook and Instagram pages in the next few days.

Blessings,

Mrs. Ubl, Principal

# LOOKING BACK, LOOKING FORWARD

FAMILIAR NAME, NEW LOGO

## **Our new name is a return to our roots**

Our school opened its doors in 1949 as Holy Family Catholic School. The school name was changed in 1976 when the parish became the first cathedral of the Diocese of Orange.

Today, the new landmark Christ Cathedral in Garden Grove is the new diocesan cathedral. So, as the parish returns to its roots and original name, so does the school.

## **Will the children need to buy new uniforms?**

No, students are not required to buy new uniforms just for the name change. Dennis Uniform has an inventory of uniforms with the old name, so invariably you will continue to see the old name.

It's okay to buy a uniform (used or new) with the old name. The new name will be gradually transitioned in with new inventory.

## **Watch for the new logo reveal on Friday!**

Exciting changes to come as we update everything from uniforms and spirit wear to signage and our website.

## **Did you know?**

Holy Family Catholic School welcomed 225 students its first year (1949). Our first graduating class had 13 members.

The Sisters of St. Joseph of Orange were given charge of teaching at the school. Established in France, the Sisters of St. Joseph came to the US in 1836 and founded their Orange congregation in 1912.
