

News and Notes

November 18, 2020

Dear Parents,

Yesterday, the California Department of Public Health revised its guidelines on face coverings. In addition to face coverings being required to be worn at all times when outside of the home, children age 3 and older are now required to wear face coverings.

- Effective tomorrow, **Thursday, November 19th**, all students in preschool through 8th grade are required to wear face coverings.
- Please send an extra one or two in a baggie for the younger children especially, and please talk to your child about the proper way to wear the face covering. The teachers will also reinforce proper care of the face coverings. Attached are the guidelines that were sent to us by the California Department of Public Health.

With the holidays fast approaching and many families planning vacations, here is a reminder of what constitutes a Remote Learner and how to proceed with make-up work for those students who miss school:

- Remote Learning is a trimester long commitment, unless a parent has previously made arrangements with the school to have their student return to campus prior to the end of the trimester. Students may not move back and forth between Remote and in-person within a trimester.
- Any student who is enrolled in *in-person instruction* and does not attend school for any reason other than whole class quarantine, **does not shift into Remote Learning**, but uses Google Classroom to get assignments and make up work. Those who do not attend school while enrolled in in-person instruction are marked absent and follow the absence protocols.

Just a reminder that $\frac{1}{2}$ of your fundraising commitment is due by January 5, 2021. We have given you several opportunities for fundraising in addition to purchasing Scrip. The amount of \$225 is due by January 5th. Please consider purchasing Scrip for the holidays as a way to meet this commitment.

In our attempt to resolve the overcrowding in the Glassell lot at pick up, we are noticing that families whose last names begin with the letters Q-Z are parking in the Glassell lot. Please use the LaVeta lot for pick up if you are in the Q-Z group.

A huge thanks to Coach Nguyen for overseeing the Turkey Trot. The students enjoyed themselves and loved getting their picture taken with Mr. Gobbles, the inflatable turkey. We raised \$695.15 for St Vincent de Paul's food pantry.

Thank you Mrs. Susan Ellersick and family for your help with Pennies from Heaven. We so appreciate the gift of your time in organizing the drive and counting each coin.

- We are happy to announce that as a school we raised \$2,311.97
- Congratulations to 7B for bringing in the most money in coins. They raised \$19.10 and they will be having a popsicle party.
- Congratulations to 3B who raised the most money overall, \$222.46. They win a popsicle party and free dress.

Thank you to all who participated in the 2020 drive for Pennies from Heaven.

Blessings,

Mrs. Ubl, Principal

SENT ON BEHALF OF DR. DENISE VALADEZ, Associate Superintendent

Good Afternoon Principals,

Yesterday, the California Department of Public Health revised its guidelines on face coverings. The newly revised guidelines mandates that a “face covering is required at all times when outside of the home.” Previous guidelines mandated students in grades 3 and above wear a mask, and strongly recommended them in grades 2 and below. Given the revised guidelines, published yesterday, please ensure that you are in compliance as soon as possible.

The revised guidelines can be found here: <https://www.cdph.ca.gov/Programs/CID/DCDC/Pages/COVID-19/guidance-for-face-coverings.aspx>.

Thank you for your continued good work,

Peace & Blessings,

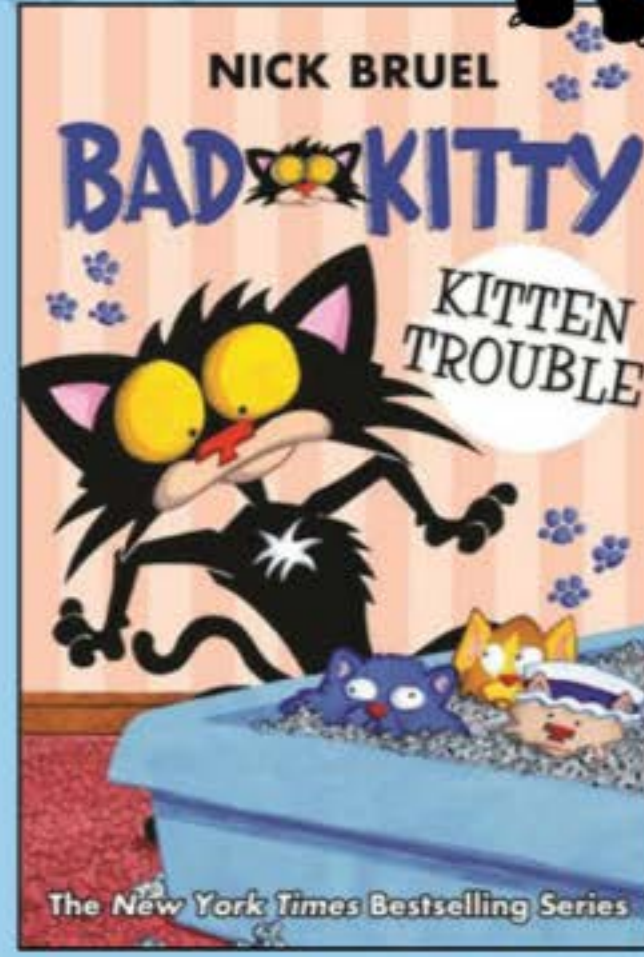

Denise Valadez, Ed.D.
